BR 30/4 C Micro Scrubber
Upright automatic floor scrubber
Clean anywhere in congested areas with this compact, lightweight scrubber.

Kärcher's compact BR 30/4 C scrubber provides a far more efficient and hygienic alternative to manual mopping and scrubbing. Ideal for use on hard floors and tile, the BR 30/4 C has been engineered to be easy to transport and even easier to use and is perfect for use in institutions, restaurants, schools, stores and even homes to maintain the appearance of floors and keep your premises sanitary.

**Upright Style Scrubber:**
Behaves like an upright vacuum, very compact for scrubbing congested areas.

**One Gallon Solution and Recovery Tanks:**
Can be easily detached, eliminates moving machine from work site to empty or fill solution tanks.

**High Speed Roller Technology:**
High contact pressure and rotation speed thoroughly cleans all types of hard floors. Cylindrical brush is particularly effective on uneven surfaces and ceramic tile grouting.

**Low 4” Profile:**
Allows scrubbing in areas inaccessible to other machines.
